We

Junior Middle School 5th & 6th Grades

Dear Students, Parents, and Guardians,

We are looking forward to working with you in September and joining our **Junior Middle School Program (JMS)** for 5th and 6th grade students. This program will be an exciting and challenging transition for the students. To aid in this transition, the JMS team has collaborated to create a supply list for the students, and we have developed an organizational structure that meets the developmental needs of our students. The supplies are listed as either **“shared”** or **“individual”**, to be used in students’ homerooms or to be carried from class to class by the students. During the first week of classes we will assist the students in creating a JMS **organizational binder** that will contain individual subject-area folders, a daily homework agenda, and notebook paper. In subsequent weeks, we will introduce and develop organizational strategies that will be used throughout the year. **Have a relaxing, safe, and fun summer!**

Peace,

Mr. Tim Hart
Language Arts

Mr. Marc Garcia
Mathematics

Mr. John Catarello
Social Studies Teacher
