

Ms. Ludwig's Supply List

lease choose at least ONE item from the list below to purchase for the class. All items will be shared. There will be no need to purchase extra supplies for your child, as we share all supplies as a class. Each family should spend \$30-\$50 for one or more items. Check for sales at Target, Office Depot, Staples, or Costco. I will be at school the week before the start date, so you are welcome to stop by and drop off supplies then. Otherwise, send them with your child on the first day of school. I estimated costs based on prices I found on Amazon. If you find them to be significantly different, feel free to adjust the amounts! Thanks!
