

Ravenswood Rocks

**Spring Forward
Benefit 2018**

Come walk the Ravenswood Red carpet and celebrate all the ways our school rocks! We'll live it up Grammy ("Rammy?") style, enjoying exciting live performances, heavy hors d'oeuvres, an open bar and invaluable time with our amazing community, including face-time with teachers and administrators in a social, grown-ups only setting.

But don't let all of that distract you from our event's primary purpose! The goal of this fantastic night is to raise funds for Friends of Ravenswood School (FORS) and ensure that our children receive the best possible educational experience.

Peruse the silent auction items, pick and choose from our unforgettable Experience Parties, support your child's classroom directly with our Teacher Wishes, raise your paddle in the live auction or try your hand at one of our games or raffles. No matter how you choose to donate your dollars, we guarantee this will be a night to remember - because [#Ravenswoodrocks!](#)

Typically, this event is semi-formal but you could also live it up in a theme-inspired costume (Lady Gaga, anyone?) - whatever makes you feel rockin'.

The Spring Forward Benefit is the largest grossing fundraiser put on by Friends of Ravenswood School each year, but we can't do it without the full support of our community.

Please take a moment to flip through this packet to join in the fun and make a lasting impact on our community and your child's education!
