

4th Grade

Dear Families and Caregivers,

Welcome to the 4th grade! We are looking forward to working with you this year! Below is a list of materials necessary for a successful learning environment. As you can imagine, with the number of students bringing in materials, it can get a bit confusing to track, so labeling each bag with your child's name would be extremely helpful!

Have a relaxing, safe and fun rest of the summer, we look forward to seeing you!

Peace and happiness,
The 4th Grade Team
