

2018-19 7th & 8th Grade Supply List

We are looking forward to working with you and welcoming you into Ravenswood Middle School. Our academic program is challenging and centered on preparing our students for success in high school and college. Our MS team has collaborated to create a supply list for the year and we have developed an organizational structure that meets the developmental needs of our students. Listed below are the essential items needed for both classroom use and individual student use. **Each student will be accountable for having the supplies on the first day of school.** Please email us with any questions or concerns (katoomey@cps.edu).
